

Lonesome Old Home

(With backup banjo licks numerated)

Last night I lay down everything was so fine 1
Had Mama and Dad so much on my mind 2
Thinking of home and the ones I love so 3
Everything was so great around the old home 4

Chorus:

Then I woke up I was a dreamin' 5
No mother no dad no children a playing 6
Everything was so quiet everybody was gone 7
There was nothing left but a lonesome old home 8

Then I got up the sun was so bright 9
I looked all around but something's not right
I walked out the door and there on a hill 10
Stood two lonesome graves lord it gave me a chill 11

2nd Chorus:

Then I woke up I was a dreamin'
No mother no dad no children a playing 12
Everything was so quiet everybody was gone 5
There was nothing left but a lonesome old home 13

As I stood there everything was so still
As I started to leave those lonesome old hills
Leavin' behind where I used to roam
Mama and Dad and a lonesome old home
